

Lamp Shade

drama by the author

They say the
shopkeeper's
name is
Katarou. He's
soooo
cool!

Isn't
Katarou kind
an old-
fashioned
name?

Most of the stuff in
this store are
handmade by him!
Isn't that
awesome?!

I think I'll
go home
after all.

I said you'll
definitely
use this
shop!
Let's go in,
Kazuo!

Runar—!!!
He's so cold
right tonight!

He doesn't
seem to go
through any-
thing that
others do...

Runar...

I couldn't see
things in white
until I was
17 years...

Wow...

That's
called a
"umb
shade"

But it doesn't
really
block it off

Katherine makes all
the impressions
and tells herself?

I-but it's not
concrete, so
it can't be
replaced?

So much!
Don't put them
that's too
expensive!!

But no, it's
not too much!
I'm telling you,
something is being
done!!

I-uhh!!
15000 more!

お

It's not funny!
The shop near is
also funny!

But's sure,
there are few
customers
in this store
around??

R&P

It's funny in an
art gallery!
There are
customers all
over the world!

WHAT THE HELL
IS GOING ON?
ATON?

Father:
Run to the
DOOR!

Did I want
to look
anxious?

What's
wrong, Kate?

What do you
mean 'do
what'?

Isn't this our
house?

Let up just
a bit of
serenity
here!

There are
too many
hugs.

It takes me
hours to get to
the
door.

There are
no
disappointments.

Isn't it a great
fantasy world?
There are forests
and mountains
and rivers.

Why did we have to
live inside of
nature's place in the
first place?
There's nothing
here!!

We just started
on our long long
dream of living in
the fantasy!

Keep
dreaming

But to
realize our
fantasy
dream...

There are forests
and mountains in
the river, and
fantasy world
through the air
at night.

Isn't a great
fantasy, the
fantasy air
is clear.

"But"
Isn't that a
fantasy world
dream?

Super! I love this
fantasy world
dream!

After all, the last
feeling is almost
gone. I'm sure
the village will
believe I'm just
sleepy now!

Don't stop
your road
though
about
sleep!

Oh, you poor
child.
You were
doubtful! You
lost by our
parents, didn't
you?

I am
this
house!

I am
this
house!

I am
this
house!

Oh, really?
I'm not
going
though!

I heard there are
no more people
and I wonder,
"Where are they all
gone from?"

But why does
nature in this
country-side,
but also human
life, say around...

I'm never done
near that other
again!

Now
I realize
the true
house!

Where?
The world
looking
forward to
done with the
my mother,
right?

いいい

It's frustrating
but I won't
forget that
experience

Exc, sorry
about the
mess, right?

Or so I
thought... but I
still ended up
going there
again

I got it, even if I
never do with all
my affection!

Exc-

Ah..

*If being with
people is that
tough, you
don't have to
be running a
shop!*

Sorry

*He's really
starting to get
under my skin!*

Toot was fun!!

*Even
so...*

*...I just continued
to flow, ignoring
my feelings
about it all.*

Potatoes!!

Kee: How?
where did
you get
that?
Shutman!

Without much
warning, I would have
already passed.

Around the time I was
finally getting used to
living in hole villages...

I got it from the guy
at "Thomson"?
That is very weird!

Shutman!

What are
you
doing?

Good
afternoon
Ma
Kondou!

The Fair Festival was
ending in an interesting
drawing

We're
putting
bikes
up
around the
village

This year is
going to be
different
from
others!!

So this year,
we're told
some new
bikes will
be up
for us

We've used the
same ones for
about 20 years,
but they've
become broken up
over time...

Centering on
that temple,
bikes will be
along
through the
village

Those will
be quite
a sight!

Still, even if he
is cold, Kotarou
is Kotarou.

It's true
he's
rather
cold.

Isn't your
heart warmed?

Do you know him,
Kotou? A store
keeper by the
name of Kotarou
Ookina?

You must
have worked
hard to see
such a cold
guy like him.

Who
are?

So, there
are over 30
informs
that haven't
arrived.

Koto, don't
you go check
on Kotarou at
his place for
us?

You're not from
this village are
you Kotarou?
Why are you?

It's much
crazier than this
country!

...and so that's
how we ended up
living in the Royal-
city
around last 120
years ago.

Am

Don't
want
to go...

Found an
animal?

May! Don't
fall asleep!
If you sleep,
you're dead!

*This is...
Is this
really you
Katarou?*

ええっ!!

未生

*Although it
only came out
when I was
looking for
my student...*

*It's surprising
though. You
actually look
just old
yet...*

*Don't you
get here?
I don't have
enough
strength...*

*I trained
under my
teacher...
but finally
can't save
last year...*

*For that reason
since I always
worked hard to
be bright and
cheerful...*

*Doing it
alone like this
with my dream
after all...*

*Kakuro Karamagi
lost me most too life
and ground me*

*... Although I know it
was probably only
because he did love a
few...*

*I was afraid that I'd be
all alone in peace, or that
peace would bring I only
and few friends...*

*...and I didn't
like the idea of
defending and
without
willing to*

*I began to realize
others about who I
was from an early
age, and that
wasn't exactly my
personality*

*That time—
probably
there is a lot
of people*

*In the end,
I won't
want to it...
and grow
tired of it*

*I wonder what it would be like
when it bright and happy face
about clearing this...*

*"Everyone is bright
and cheerful in this
world"*

*It's a lot you often
hear, and you don't help
but do stand with it. On
the other hand...*

... it's with the Red Army

*Heaven goes,
the last one
you were
really
fearing it
too!*

*How about
relying it
again? There,
it's much
fun though.*

*How can he
really
rely on
him?*

*Even if I wish to
that I just can
say, I haven't
yet, but I fear
more reliable here.*

And so...

The Fall
harvest
festival begins

*I would never be able to
forget...*

*...everything that
happened on that
day*

*...If you get 2
or 3 large
shots, you'll
feel better in
no time!*

*Rest well
tonight, okay?
Then go to the
hospital
tomorrow...*

*Shut—!
That makes a
lot of food!*

Shut—!

*Being told that by a
child and
old person...*

*...sometimes felt so much better
than any other time.*

*Yes,
that's
right!*

Let us help out
with putting some
things at the
store from now
on, okay?

While working at
the library
today, I really
began to gain a lot
of interest in it!

Maybe
I might become
interested in
becoming a
store keep!
